COLLECTIONS POLICY / MISSION STATEMENT

Holocaust Museum Houston is dedicated to educating people about the Holocaust, remembering the 6 million Jews and other innocent victims and honoring the survivors' legacy. Using the lessons of the Holocaust and other genocides, we teach the dangers of hatred, prejudice and apathy.

GENERAL OVERVIEW OF COLLECTIONS

Strengths:

The Laurie and Milton Boniuk Library and Archives contains collections on all aspects of Jewish life both before and after the Holocaust, as well as many documents and objects from the Holocaust itself. Included is the Charlton Meyer Collection, which contains the largest assortment of concentration camp and ghetto scrip in the world. There are also photographs and documentation from the liberation of the camps and ghettos, artifacts from the Nuremberg trials, Nazi propaganda and collections of family papers and Judaica.
