COLLECTIONS POLICY / MISSION STATEMENT

The UST Archives shall serve as the repository of those historically valuable materials that document the origins, activities and achievements of the University of St. Thomas.

GENERAL OVERVIEW OF COLLECTIONS

Strengths:

Strengths: The Archives contain the records of the Presidents of the University of St. Thomas as well as the Vice-presidents of Academic Affairs, along with over 2,100 digitized photographs, student yearbooks and newspapers, University books, directories, artifacts, and the records of the Public Affairs Department.

Weaknesses: There is a backlog of processing.

Additional Comments:

The University has realized the importance of the Archives and is making greater use of Archival resources.
