

The background of the page is a faded, grayscale image of a protest. Several signs are visible, including one that reads "COMMUNITY JUSTICE NOW", another that says "STOP THE WR AGAINST THE PROTEST", and a large sign on the right that says "WE NEED A BROWN & BLACK INDEPENDANT COMMISSION OF INQUIRY".

# WHAT IS A HISTORY HARVEST?

**A history harvest is an event devoted to recording and preserving the records of the community. In this case, we encourage you to bring your stories, photographs, newspaper clippings, and personal artifacts from your family records.**

**Select recorded interview excerpts and scans from the Harvest will be included within the organizers' digital repository. Once scanned, the original photos and documents will be returned to the patron. In addition, high-quality scans of the artifacts will be provided to community members to reproduce prints and preserve the original photos/documents.**
